

**York County is recruiting youth ages 5-21 and their caregivers for the following PA CARE Partnership Evaluation:**

For completing interviews with research staff when they enroll in the program, every 6 months that they are still enrolled in the program, and again when they discharge from the program, a youth and a primary caregiver will be compensated for their time. The interview will take 1 hour to complete in total and they will each receive \$20 for participating in the interview.
